

## **Hampshire Motocross Club Championship – Round Two**

**Swanmore, Sunday 14<sup>th</sup> February 2010**

**Report by: Roy Poynter**

A bitterly cold day greeted the riders and spectators for the second round of the HMX season at the hillside circuit of Swanmore, near Corhampton.

Olly Mayhew continued the defence of his 2009 championships by taking a clean sweep, with victories in both the Two stroke shootout and then again with 1-1 results to put him on 'top of the box' (as the Americans say) in the solo A group.

Chris Bick was the best of the rest in the A group with Fred Croucher and Mark Withers rounding out the top four.

Ross Emery took the B group overall ahead of John Pozzoli and Gary Kloss. Jack Mousley was the main man in the C group.

Quad honours for the second week in a row went to Sheldon Seal who took the top step ahead of Ryan Wildman and Roger Pearce.

The HMX season now takes a break for a few weeks until the next round which takes place on Sunday March 21<sup>st</sup>, at Marshfield.
